

Zeke

Today marks a year that our Zeke became a Hernandez! We knew we eventually wanted to have a dog. What we didn't know was just how much of our lives this adorable and active boy would touch. Zeke is the most loyal and faithful pup. He is naughty, loving and has brought our home and family so much joy. Thank you so much for all of the educating, rescuing and most importantly for all you do to introduce these loving pups to families like ours. We are incredibly grateful!! Here's to our first year together with our Zekie boy, and many more to come!!

God Bless, Zeke's folks
