

# Luigi

On June 3, 2011, my family and I adopted a small poodle mix from the Humane Society who we renamed Luigi. His birthday was marked as May 28, 2006. Here we are FIVE years later, celebrating his 10th birthday!!

I wanted to thank everyone there for their continued effort in finding "fur-ever" homes for so many pets. Without this wonderful organization, we would never have been able to love, spoil, and adore this little guy.

I just wanted to share his birthday milestone with you and to thank you for making it possible. Here's to wishing Luigi many more happy birthdays!
