

Blake

This was the photo that led me to adopting little Blake back in jan. 2013. I called San Antonio Humane Society to see if they still had him and they said yes. So I ran to pet smart and bought some food and things he would need. I drove to fredricksburg and saw Blake sleeping while sitting up lol. Till this day he's been such a sweetheart. Please go visit your local humane society and adopt a pet!

Ruby
