

Queenie

The kittens we adopted from New Braunfels (“Lobster Harmer”) and from San Antonio (“Queenie”) are doing fine and are quite happy, as are we.

“Queenie” is now “Bitsy Belle”, aka “the Bit”, and the little orange guy doesn’t have a name yet. They are buddies. Our other two older cats are indifferent to them and almost visa-versa. All four of our kitties are now quite content, as they deserve to be.

Thanks for the work you do.
