

Tennessee

Hello! Just wanted to let y'all know previously names "Tennessee" is doing great! We love her and by the way she protects this home as her own, I think shows she loves us too! The Humane Society put her at 2.5 years old... guys she's merely a puppy! 1.5 tops haha! But we love her even more for that! Attached is a pic of her a her big sister. Thank you for the additional joy provided to our family
