

Scarlett Blue

Scarlett Blue is so sweet! I am not a dog person, I am really the last person anyone that knows me would think would get a dog but there was just something about her eyes that said she was mine so off I went! She's doing fantastic! She is beloved by our local petsmart staff where she is taking puppy classes and she gets her baths. She's really my best friend! I love her so much! She's very smart and she loves everyone and every cat and dog she meets. I take her everywhere I can - she's gained about 30lbs and she's as tall as I am when she stands to give me kisses! Thank you guys so much!
