

Bella

We just wanted to give a Bella a.k.a. Bluebell update. She has 4 cats cabling and just spent a whole week with her new cousin chopper. She loves them all and the an amazing addition to our family. She has a pillow in every room of the house and and had her first heartworm injection yesterday. She lives her new vet and is quickly warming up to guys. She loves to go to the ranch with her dad to see the cows, even runs to play with them. She has a big yard to play in and lives to lay next to mommy while we garden..
