

Dexter

We love our SAHS boy...this month we celebrate Dexter (formerly Puma)'s second birthday! I can't believe he's been part of our lives for that long - he is so loving, smart, and the best big brother to our other rescue boy Duke! His favorite activities include chewing on his antler, chasing his brother down the stairs, or curling up right in between mom and dad to sleep. Thank you SAHS for giving us such a sweetie!!!
