

Ellie

Just wanted to let you know how Ellie (previously Roscoe) is doing!

Ellie absolutely loves cuddling, anything to do with her chewing bones, and her doggy brother- Samson! She's learned lots of new tricks including sit, stand, and shake and will always do them for an extra treat:) She gives plenty of love nibbles and refuses to sleep unless she has a pillow for her head, now :). She's doing great, and we love her so much! I couldn't thank y'all enough!!
