I was never a "dog lover" but my boyfriend convince me to go look at dogs one day and I told him fine but I'll be with the kittens. He convince me to go look at the puppies and as soon as I walked in I saw my baby. His name at the time was Haynes but now he is Evo. He is the love of my life and I'm so grateful that y'all allowed us to adopt him. He is our fur baby. He is now two year old and the most playful dog ever. He is beyond smart and loving <3 thank you for giving us the greatest gift ever. He is a blessing to us.
