

Alice

I was looking at all the wonderful update photos and decided to share our own!

This is Alice. We met her at the humane society where she practically yelled at us to take her home. She nearly stood on her kennel partner's back to call us over!

She's an old soul who isn't afraid to let you know when you're annoying her during her naps, and she'll do just about anything to get a treat, except for shaking hands. She hogs the ENTIRE king sized bed every night, and is the best dog ever.

Thanks for changing our lives! We love our girl!
