

ChaCha

The one in purple is Cha Cha. I adopted her on June 10 this year and picked her up on June 13. She now lives in Rochester MN on a 120 acre farm. She loves hanging out on the farm. Thank you and all the staff there again for taking care of her while you had her. My husband and I love her SO much. She makes me smile every day. I just wanted to send you updated pictures of her in her forever home:)
thank you so much!!!

Cha Cha was her name at SAHS and I thought it fit her personality so we kept it:)
