

Pierre

We thought we would send y'all some pictures of Pierre aka Cooter Brown..

He's with his best friend/baby brother Proteus.

And his niece astraea playing outside.

I love the way he lays on my pillow.

Thank you for being so great to him and showing him love.

Thank you for saving him and bringing him into our home...

P.s. we finally got him to pee like a boy dog.lol

Michael
