

Sammy

Hello! I just wanted to give a short update on my amazing dog who you all know as the 9yr old (now 10) pit bull mix Hershey, who is now my sweet Samantha aka Sammy. She's so perfect! She now goes and plays with dogs without barking. I'm still sad her and her sister didn't pair well anymore otherwise I would have both. But Sam loves being the only child getting spoiled with all the love! I'm so glad I came across SA humane society. My life is complete!
