

Zeke

Just when we thought no one could love our Zeke as much as we did, along came our youngest son aka Flea. Since the day we brought Flea home, these two have been inseparable. We adopted Zeke from the SAHS in May of 2014 and had no idea how much he would change our lives. We love him, but he holds Flea's entire heart. Our baby doesn't love anything as much as he loves his pup. Flea and Zeke are living proof that Love is the Pits! <3
