

Mysa

I wanted to send a new update, I had adopted Mysa from you guys a little over a year ago. Since then she has made a move with me to Tucson, Arizona. She lives with my girlfriend, me, and our cat Jupiter. They get along great and I still can't thank y'all enough for allowing to have this amazing friend in my life. She's my best friend and I wouldn't be as happy as I am today without her. I just wanted to thank y'all and let you guys know she's doing great, and is very happy here in Arizona :)
