

Roscoe

I was NEVER an "animal lover" or even thought about getting one but my 3 boys begged me for a year and I started looking into it. The moment I saw him (was Cinnamon now Roscoe), I had to have him. Now my life has been changed! Thank you for all you guys do and allowing me to adopt my baby boy! I adopted him at 5 weeks and he turned 6 months yesterday! I thought I would change his life but he has changed ours! Here are some photos of Roscoe!
