

Brodie

Brodie (King), adopted December 2015. When my previous rescue died, I didn't think I'd ever be ready for a new dog. Then I met this handsome, sweet fella. 70 lb cuddle bug, dog park aficionado, road tripper extraordinaire, frequenter of Lucy's Doggie Day Care, there hasn't been a day that he hasn't brought a smile to my face. SAHS, thank you for all you do to bring joy into hooman's lives!
