

Buster

We adopted our Cocker Buster on November 20, 2013, from the SA Humane Society. We were advised by SAHA that he was approximately 6 years old at that time.

We took one of your dog obedience classes and me and Buster graduated.

He has been a blessing to us. He is such a good boy. I am disabled and also suffer from depression and he has been a light in my life. My fiance works during the day and Buster keeps me company.

He will be 11 years old in November.

Thank you for the gift of Buster!
