

# Caroline

May 2004 I adopted Carolyn. A 1 year old abandoned weenie dog mix that had been hit by a car and had 8 hours of orthopedic surgery there at the SA Humane Society, then 6 weeks of recovery before I adopted her to love with me and my aging beagle. I was just finished medical school and had to meet the vet (I wish I remembered her name). Well Carolyn is now Caroline and is a happy old lady of 15. I just wanted to say thank you. I moved away from San Antonio shortly after I adopted her and never got to thank everyone there for everything you guys did for her before she came in to my life.
