

Chulo

Hello we adopted "Scooby " this past summer he is now named Chulo he was only a couple months when we adopted him.. He was a very shy puppy but that changed the minute he got home, there was a lot of love to go around with my 4 children.. He quickly fell in love with my children he is very loved and very spoiled now.. We celebrated his 1st birthday of April 3rd we had a birthday party just for him and he loved every minute of it .. We are very blessed to have him in our lives thanks to the SA Humane Society <3<3<3
