

Gunter

A year ago we adopted a new addition to our family. He went by the name Aggie we changed it to Gunter. He is a big part of our family and we are so glad to have had the opportunity to provide him with a good home. At the time of his adoption we know he had siblings waiting to be adopted and would love to reunited them for a play date. So I would love you to put this out there to see if we get any response from other owners.
