

Peggy

Hey, on 4/26 I adopted Peggy from your Fredericksburg location and I just wanted to give y'all an update on her.

Peggy is the sweetest and most laid-back pet I've had. Her primary activities are napping, self-grooming, and long walks in between the naps and grooming. She's so well behaved; she never barks and has only had one accident inside since I got her. Besides our walks, my favorite thing to do with her is to play animal noises through speakers. She'll tilt her head with her tongue sticking out the side of her mouth for hours. More than once, she has pulled the DVDs out from the shelf beneath the speakers in order to catch the farm animals hiding behind the speakers.

I adopted Peggy because the last 2 years in law school have been lonely and stressful. In Peggy, I found a companion that inspires me to work harder and reminds me how much love I have to share.

Thanks Jake
