

Percy

Just a quick update! We adopted Percy (formally Praline) from the Clear The Shelter event in August. Since then he has quickly eased his way into the family, and become a best friend to not only us, but our first dog Nebby, who also came from SA Humane Society!

Since coming home, he has become potty trained, learned to walk on a leash, and even learned to play fetch!

As you can see he's being spoiled with lots of love, affection, and a new canine companion.

Thank you so much for our new fur-baby! So glad to be his forever home!

Shannon
