

Precious

Hi I just sent u all a baby pic of Plumeria now known as Precious- she adopted our family on Veterans Day 2017 and we wanted to thank you for our babygirl! She is a friendly girl who swims with her human sisters in their pool and sleeps with her sisters and protects them during night hours! She camps out in our RV and plays fetch in the Open fields of the Guadalupe River. To say we love her is an understatement

Monica
