

Inga

Today I attended a “pet your pet” event. Our local humane society got the profits from this event. I painted Inga! Inga was adopted from y’all back in Jan of 2011. Just thought it was a fun fundraiser. Being in rescue myself, I understand the importance of fundraising!!

Thanks for letting me adopt Inga, BTW!! We just last month celebrate her 8th year with us! As part of the celebration, we ordered a DNA kit.
