

Lincoln Wrigley

We adopted this sweet boy in August! His name is now Lincoln Wrigley, previously Big Fish. He quickly became my best friend! He has undergone all his heartworm treatments and we will find out in April if he is 100% heartworm free. Like they said when we adopted him...he thinks he is a lap dog. He loves to learn, take walks/runs, play tug and give love! He's a great guard dog, exactly why we wanted him!
