I lost 2 senior adopted cats (15 & 17 yrs) in 2009 and even though Jake and Jumper didn't come from a shelter, their owner, who was going back to Iraq for work, was fixing to have to surrender them if he didn't find them a home. They became my boys in no time. So, I was missing them and wanting to have a cat in the house again. I happened to find the perfect boy. He's such a hoot ... he loves snatching my q-tips and hauling them off to play with. He loves his mouse that he bats from one end of the house to the other. And to top it off, just like a puppy, he follows me from room to room. He's priceless.

Thanks San Antonio Humane Society ... he's exactly what I was looking for.
