

Heidi

We had been looking for a small dog for many months and just didn't have much luck. I preferably wanted a Yorkshire terrier but found out that they could be very expensive to buy. My husband and I went by the humane society one afternoon (just to look right?) Well I really didn't think I was going to find that perfect fit but I thought I would give it a try. I looked at all the small dogs and even though they were all very cute it was the very last dog we came across that stole my heart. Well needless to say I looked at my husband and said "she's the one" he was not sure since we hadn't even taken her out of her kennel yet. The staff there were all so friendly and we were able to bring her home that day. We have renamed her Heidi and I must say that she is our baby girl! What I love about Heidi is that she is sooo loveable and sweet. She loves to take car rides, and go for walks in the afternoon.

Thank you! Thank you! She is the BEST.
