

Noel

I just wanted to give you a follow up on Noel. We adopted Noel a couple of years ago, and he became a part of our family right away. He loves to play fetch and run after our kids. He is very active and very well behaved dog. I was kind of nervous if he would dig or jump the fence to get out and we have never had any problems with him, even if we leave the gate open he will not walk out of it unless we call him. He is a wonderful pet, and gets along well with other dogs, but no cats or squirrels he does not like them. Thank you, again for having "Mutt Monday" that day, because I do not think we would gone over there. I do think he chose us that day. He was the only dog that came to the door and jumped on the window ledge to say "hello". Kind of funny to say he had us at hello.

Thank you,
Jo Anne
