

From the Humane Society Front Desk: Sapphire, Ruby, & Emerald

The Humane Society SPCA of Bexar County is thankful for all of the support and wonderful families who adopt our animals. Recently, a family stopped by our facility in search of a new companion and ended up leaving with three new best friends for each of the three little girls. That's right...Sapphire, Ruby and Emerald, 2 month old Pekingese and Pomeranian mixes found a new home with Jay-mee, Dominique and Destiny. This family is a great example of the wonderful success stories from the Humane Society SPCA of Bexar County.
