

From Ricardo: Genny

"Genny is my dogs name the I adopted for your organization and she has become a larger than life part of my life. She really makes me happy when I get home also I am as happy to see her as she is me. She enjoys her special treats and sits, lays down,begs and she is also very photogenic. She also has a lots of chew toys enjoys playing tug and to chase her with her toys also going after toys. Also since she is so young very energetic keeps my on my toes does make me happy.

She is a great friend new companion and become a best part of my life at my house."
