

Bailey

Hi!! Last month I adopted a cat, Bailey, from the shelter and I just wanted to message you guys about her progress! She was super shy and scared at the shelter and her first couple weeks home, now she's showing her mischievous side, always running around the house in pursuit of a toy. She's also learned that jumping onto my bed will result in pets & she does this every night before I fall asleep. If there are any volunteers that worked with her, I'd love for them to see this as well. :)

Thank you for everything you do for the animals!
