

Frankie

Hello everyone! I know it's only been a short time since we adopted Frankie but I'd thought you'd like to know how's he's doing in his new home. He's very well mannered and know his commands well and we'll keep on practicing! He's just one big cuddle baby and loves his play time! <3 he goes on walks every couple hours to stretch both our legs and he loves his new family very much.
