

Mango

To SA Humane Society,

My family and I adopted Mango back in 2007. He was our first family pet. When I first met him I fell in love instantly, I treated him as if he was my baby. He enjoyed taking care of his backyard and hunted all wild animals who inhabited his territory. He also protected the family especially me when I went through many ups and downs in my 20's. Sadly, Moogies passed away a few days ago and I'm already missing him. But I know he is in a better place chasing squirrels in heaven. I want to thank you SA Humane Society for bringing Mango into your home and taking care of him and placing him into our fur-ever home. He brought a lot of joy and many lessons in our lives and for that I am truly grateful a facility like yours exists.
