

# Sterling

Our family Adopted Sterling on July 12 2019 and he has been with us for almost 2 months now. He has adjusted to our family of 4 so well and is such a sweet loving fur baby. He loves hiking with us and cuddling on the couch for Netflix marathons. Our kids adore him too!

Sterling is about to celebrate 6 months with us and he's so ready to have a visit from Santa. He's been such a good boy. The bestest boy EVER!

Happy Holidays from the Sterling and his FURever family!
