

Dear Humane Society:

Last July 9th, a Thursday, we went to San Antonio from the Hill Country to pick up a new member of our little family. He was a 2 month puppy. His name was Jake. We changed it to Sucre, meaning sugar in French since he is so sweet. I was so excited, I almost cried when I saw the little furry bundle of love. Now Sucre is 7 months old. We love him dearly. We just want to say THANK YOU for the best thing that happened to us this year.

Merry Christmas and New Year.

Thank you for helping other doggies find a place to live and be loved. I am attaching Sucre's pictures.

Sincerely,

Riley and Monica Hanger
