

SUCCESS STORIES!

“ Just wanted to share a little happy tail with you. I adopted a little pup from you from a sweet reindeer named litter back in December.

Donner (now **Balto**) is happy and healthy and almost 10 months old!”

“ He lives with his mom and his 2 older cat siblings and his favorite thing in the world is playing fetch in the dog park with tennis balls. Thank you for all that you do and for bringing this amazing best friend and adventure buddy into my life at a time when I needed him most <3”
