# STORIES!

“ I just wanted to give you an update on **Diamond** who we have lovingly renamed **Basil**. She already responds to the name. She is doing really well. She gets along great with our other dogs and has already become besties with our terrier mix.”

“ We live on a farm with many animals and she's getting a kick out of all of them! I took her to Petco and let her pick out her own collar, leash, harness, toy, and bed. She was super excited and even gave the cashier kisses and turned over for belly rubs. She is a goosh-ball and loves attention.

Thanks again for all the work you do. We are really happy to have her!!!”
