

SUCCESS STORIES!

“ We adopted an Ambassador puppy from you on April 11, 2015. You had named him Gremlin (we call him **Dexter**).

Currently, he has completed Intermediate Scent Work and competes in AKC Scent Work.”

“ Now, he is working on his title in Advanced Scent Work and loves it. I have included pictures of when we adopted him and today. He DID grow into his ears after all! Thanks SAHS!”
