STORIES!

“ One week in: The first day was "Hiding Day", but the next day, **Glen** came right to me and "head butted" me! Now whenever he sees me, I get head butted.

“ He's a happy kitty! He's made the house his, he's eating well, and of course supervises its preparation. He's a sweet and loving cat... and I'm happy he's in my life.”
