

SUCCESS STORIES!

“**Gucci** quickly got accustomed to being at his furrever home when I first brought him. He is such a curious cat, but honestly the most adorable and cuddle cat I've ever come across.”

“ He loves to come lay next to me whenever I go to sleep and keeps me great company whenever I work. He has helped a lot with my recent anxiety and can't wait to give him the best life ever ♡ Thank you so much for allowing me to adopt Gucci!”
