

SUCCESS STORIES!

“ I just wanted to talk about how it's been since we adopted **Joss** in July. We were excited to have a little friend to take care of and be a part of our family because we moved in from out of state and have no family living here.”

“ She adjusted beautifully to our home. Now she's queen of the house, and loves all the windows and sun naps, chin scratches, My husband and I love her and we can't remember what life was like before her quirky self found a place in our lives. Thanks SA Humane Society for all you do!”
