

SUCCESS STORIES!

“

We thought you might enjoy getting an update on the newest members of our family: two sweet little kitties (**Gidget** and **Daisy**, now **Keichu** and **Bo-Katan**) we adopted from you in December.

The girls have totally opposite personalities. Bo is bold, adventurous, curious, and fearless. Keichu is more timid but isn't afraid to pounce on her big sis.”

“

Both kitties love to see what our kids are up to during their virtual school time, and they have been big hits with the classmates over Zoom. Both also seem to be growing very well. Thank you so much for giving us these two precious little gals! We all love them to bits!”
