

SUCCESS

STORIES!

“ I adopted **Simè** On June 1st, 2021. She was so shy when brought her home . Now a month later she’s seems like she’s been with me forever. She loves to play, no matter the time AM or PM.”

“ She also enjoys taking over my bed lol for her slumber. She is my partner in crime lol and I’m glad I took her home.”

- *Shia*
