

# SUCCESS STORIES!

“ Our family adopted **Luther**, now named **Malacoda** “**Coda**” yesterday. We rescued a kitten in a parking lot and he was lonely, so he needed a friend. Coda fit in from the moment we let him out of the carrier. The video is of him and Jinx helping decorate the tree. We think they did a wonderful job. Thank you for being a no kill shelter and giving these wonderful animals a chance to find living homes.”
