

SUCCESS STORIES!

“ Hi there! Here's an update on **Skellington** (now **Mars**) and **Austin** (now **Valentine**). They're both playful, obedient doggies. They have established a pack together, along with my other dog Canelo.”

“ Both Mars and Valentine are the sweetest things to exist. Mars is patient and a giant baby who loves to cuddle. Valentine also likes to give hugs! Both dogs have adjusted extraordinary well.”
