

SUCCESS STORIES!

“ I adopted “**Bubba**” (Renamed to **Milo**) about 2 months ago. After bringing him home and him getting comfy I think he’s realized he has his FURever home! Now he’s a HUGE cuddle bug and always wants to be as close to me as possible!!”

“ Still working on him being scared in new places but he’s already learned a few tricks and can walk without a leash! Just thought I’d show you an update of him and reach out to say thank you guys so much!!”
