

SUCCESS STORIES!

“**Zoey** was adopted from the San Antonio Humane Society back when she was 3 months old! She is now 5 years old, and she is the light of our world.”

“ She loves to cuddle and loves her sister Riley, also adopted from the humane society. She loves chew bones and peanut pretzel snacks. She’s always there for us on a bad day and is a constant reminder that we have so much to be thankful for.”
