

SUCCESS STORIES!

“ My husband and I adopted **Sierra** from y'all in December of 2019 and I just wanted to reach out and give you an update on her! We have moved to Wyoming since then, and she has fully embraced her life as a country dog with her sister, Nevada! She loves digging in the snow and zipping around our 5 acres.

Thank you so much for all that you do and for putting Sierra into our lives!”
